The main character is a knight in the service of the former king named Knight Emna, who ruled the Lands Between. At some point, it was revealed that the kingdom was actually ruled by a group of sorcerers. After the revelation, a civil war broke out. The game continues the story of your prime, in which you are called upon to put an end to the sorcerers and save the country. ▼Devices Supported \*The New Fantasy Action RPG is available for PC and is playable through Steam. \*DirectX9.0 Compatible: Windows 7, 8, 10. \*Mac Compatible: OS X 10.6, 10.7, 10.8, 10.9. \*Android Compatible: OS 2.3 or later. \*iOS Compatible: iOS 7.0 or later. ▼Gameplay 1. Your Mover Player without a main character will have a party filled with newcomers. Will you leave them in a ravaged village, or take them on as your comrades? Is the main character dead, or will he or she awake in a darkened dungeon? In the Land Between, a massive overworld is divided into regions. Depending on your character's situation and story, you will be able to travel to various regions. Be sure to explore and build up your arsenal in the war-torn village and in the labyrinth. By capturing the inhabitants of the land, you can establish an enclave or secure your own castle. 2. Battle Battle with your comrades, and develop new tactics. The effective attack is the key to victory in battles where numbers don't count. 3. Skill and Magic Train your character's skills and magic. By unlocking new combinations, skills will start to be emphasized. By carefully considering your characters' enemy type and the combat situation, you will be able to create a winning battle strategy. 4. Boss Dungeon Up to five monsters appear together in this mysterious dungeon. You must defeat the boss to emerge victorious. Each dungeon has its own unique characteristics, and becomes more difficult as you fight your way through. 5. Combined Skills By combining skills from three elements, you can expand your characters' combat potential. Combine your own elements, and forge your own legend!
